RE/MAX International Raises \$100 Million for Children's Miracle Network

SALT LAKE CITY (March XX, 2010)—RE/MAX, a leading real estate franchise, has raised \$100 million dollars over the past 18 years for Children's Miracle Network, a children's charity that raises funds for more than 170 pediatric hospitals. In doing so, RE/MAX became one of the top three Children's Miracle Network donors of all time.

The donations from hundreds of RE/MAX offices and thousands of RE/MAX Associates amount to millions of dollars each year for children's hospitals. RE/MAX primarily raises funds through the Miracle Home® program where Associates make a contribution to Children's Miracle Network with each closed transaction. RE/MAX offices and agents also sponsor golf tournaments, host art auctions and organize a variety of other fundraising activities throughout the year.

“When you take into account that the real estate industry was hit harder than any other by the economic recession, it's overwhelming that RE/MAX Associates raised \$7 million for Children's Miracle Network in 2009 alone, bringing their total to a landmark \$100 million,” said Scott Burt, president and CEO, Children's Miracle Network.

”Knowing that children's hospitals have been impacted deeply by the downturn in philanthropic giving, RE/MAX Associates worked harder than ever to support Children's Miracle Network and the children in our communities,” said Vinnie Tracey, president, RE/MAX International, Inc.

RE/MAX has been a corporate fundraising sponsor since 1992 and has raised \$100 million for children's hospital over the past 18 years. These much needed funds given to Children's Miracle Network hospitals may be used for specialized medical care, research and education.
